WINDOW & DOOR SYSTEMS LTD.

CAPRI & RIMINI PATIO DOORS

2024

SETTING THE STANDARD FOR OVER 30 YEARS

Since 1991, Vinylguard has been providing Ontario's residential replacement, renovation, and new construction industry with windows and doors of the highest quality, as well as exceptional service and best-in-class lifetime warranty to support them. For over 30 years, our family-run business has remained true to our values, developing an outstanding reputation among dealers and homeowners for our dependability, flexibility, commitment, and expertise. Today, we continue to grow our legacy, upholding our mission to be the best in the industry.

RIMINI & CAPRI

Crafted to Perfection, Engineered for Life

Our lifetime warranty provides 100% coverage on all vinyl, hardware, and workmanship. This warranty is fully transferable, non-prorated, and offers complete security, satisfaction guaranteed.

Glass seals and paint carry their own specific warranties.

QUALITY CRAFTSMANSHIP

We're the best in the industry, passionate about creating quality products, and committed to the highest standards of craftsmanship.

STATE-OF-THE-ART FACILITY

Our state-of-the-art facility allows unrestricted creativity for design, and our precision machining ensures efficient and reliable production, every time.

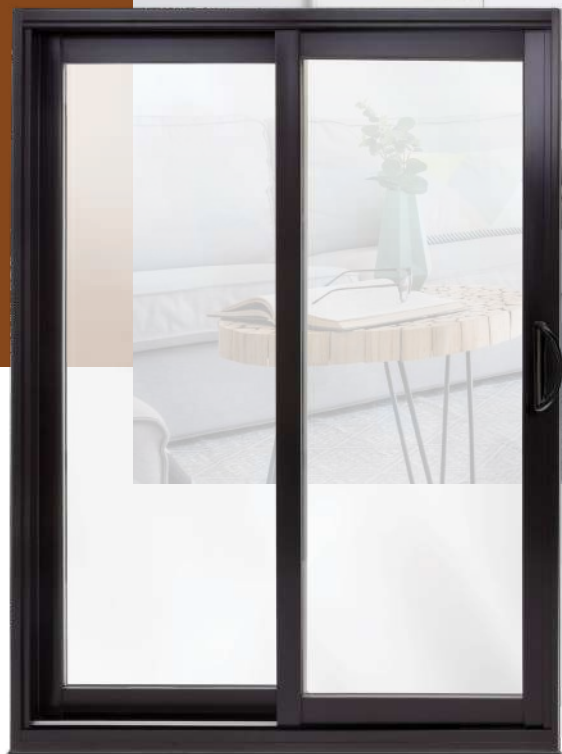

SUPERIOR DESIGN

Our products dramatically improve the appearance of homes, with compositions that maintain their appearance for a lifetime.

TESTED & CERTIFIED

All our window and door products meet the most current industry standards and are QAI® certified and Energy Star® compliant.

ADDITIONAL OPTIONS

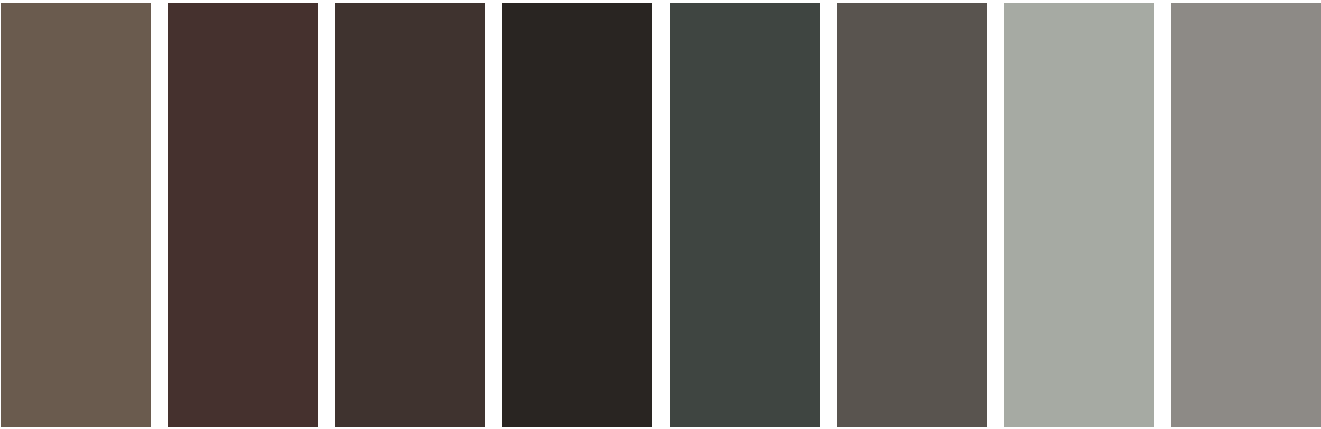

PAINT COLOURS

Vinylguard patio doors are available in a wide spectrum of extremely durable solvent-based **exterior** and **interior** colours that perfectly match all Vinylguard window and entry door products. The colour process features superior adhesion, U.V. stability, and impact resistance. Computer-matched custom painted colours are also available.

Available colours are for representation only. Please contact your Vinylguard authorized dealer for exact-match vinyl painted samples.

Extruded Patio Door White 137 - G (Standard) Cashmere - G Ivory - K Mocha - K Wicker - G Sandalwood - K Pebble - G Dark Drift - G

Walnut - G Chocolate - K Commercial - K Espresso Graphite - G Smoke - G Dover Grey - G Timberwolf - G

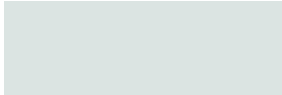

Midnight - G Iron Ore - G Forest - K Red Burgundy Black - K

Colours may vary slightly during production. Aluminum Match: “G” = Gentek “K” = Kaycan.

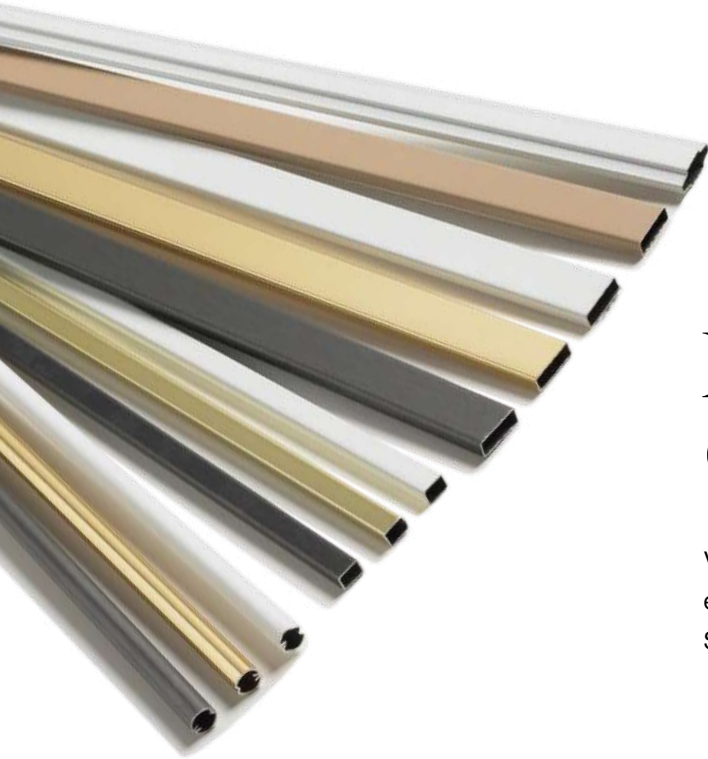

INTERNAL MINI-BLINDS

Internal mini-blinds offer maximum visibility and complete privacy with the touch of a finger. Simply slide the lever to raise, lower, or tilt the blinds, which are sealed between the insulated glass unit. Maintenance-free, no dusting, no exposed cords!

AVAILABLE COLOURS

White

DECORATIVE GRILLS

Vinylguard offers a vast selection of internal decorative grills in every design imaginable, or choose the timeless elegance of our Simulated Divided Lites (S.D.L.).

HIGH-PERFORMANCE GLAZING

Enhancing the outstanding thermal efficiency of all our patio doors is 1-inch high-performance glazing which includes Low-E glass, argon gas, and Super Spacer technology, so your home stays cool in the summer and warm in the winter. Our dual-glazed package is Energy Star® compliant, ensuring environmental protection and superior energy efficiency all year long.

ADDITIONAL OPTIONS

SECURITY SYSTEMS

Vinylguard offers a range of enhanced security options for all our patio doors, because safety and peace of mind for your family are our top priorities. We understand the significance of securing your home without compromising on aesthetics and functionality. With our innovative security features, rest assured that your sliding doors are uncompromising in protection, allowing you to enjoy the beautiful views and natural light while feeling safe and tranquil.

TWIN-POINT LOCK
Standard on all doors.

This heavy-duty latch system locks at two points on the door frame and includes an anti-slam mechanism for added safety.

TOP LOCK
Optional on Capri door only.

The top lock mounts at the top of the operating door and locks into the top of the door frame. With the bolt in locked position, the door cannot operate.

KICK LOCK
Optional on Capri door only.

Mounted at the bottom of the operating door, the kick lock adds a secondary lock in the closed position while allowing for ventilation in the open position.

“Tutto Nero” Total Black Package

Enhance the look of your home with available all-black finishes for our Capri or Rimini Patio Doors. This package includes black anodized panel and screen sliding rails, black bulb seal, dark weatherstripping, and black sealed unit spacer, with an optional black anodized sill.

“It’s not hard to do good business. Good service and quality fosters good business. It doesn’t hurt to say ‘yes’ to your customers. By producing a stand out product and understanding the trust that goes into servicing what is most people’s most precious investment, Vinylguard has grown to be one of Canada’s most outstanding family-owned businesses.”
