Door options

Raise & Lower Operator

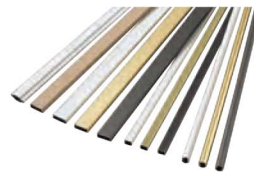

Internal Mini-Blinds

- No Exposed Cords
- Easy Fingertip Operation
- No Dusting

Internal Mini-Blinds offer maximum visibility, complete privacy and everything in between with the touch of a finger. Simply slide the easy to use lever to raise, lower or tilt the mini-blinds. The mini-blinds are positioned then sealed between the insulated glass unit which makes them completely maintenance free.

Decorative Options

Vinylguard offers a vast selection of internal grills in every design imaginable or choose the timeless elegance of our Simulated Divided Lites (S.D.L.)

Decorative Grill Types

Multi-point
keylock

Twin Point Lock

- Heavy duty lock and latch system that locks at two points on the door frame
- Available with all handles

Finish Options

Exterior Finishes

Vinylguard Patio Doors are available in a wide spectrum of exterior colours to perfectly match Vinylguard Windows and Entry Door Systems. The exterior colour process features superior adhesion, U.V. stability and impact resistance. Computer matched custom painted colours are also available.

Interior Finishes

Add the rich appearance of a woodgrain finish to the interior of your new Buckingham Patio Door. The latest innovation in laminating technology allows you the warmth and beauty of a woodgrain finish to compliment the decor of any room in your home. (Buckingham & Buckingham-Eco only)

Natural Oak

Cherry

Cherry finish with V-Groove glass
